

LA SPEZIA,
March 11th, 2025

Dear Valued Customer,

La Spezia Container Terminal (LSCT) wishes to update its valued customer base of the status of civil works alongside Fornelli EAST berth.

As week 11/2025 unfolds, terminal is pleased to advise how the planned campaign has now entered its final phase.

Port Authority and contractor have confirmed the tangible conclusion, provided no radical setback experienced, by end of current week, targeting LSCT's return to ordinary operations and full capacity on Sunday March 16th, some 7 days ahead of original schedule.

For current week, container handling operations continue not be permitted on Fornelli EAST berth, regardless of the class or LOA, in manner to safeguard planned execution of civil works, as aforesaid.

The terminal also wishes to advise expectation to resume all contractual undertakings, including pro-forma berthing windows arrangements, starting from Week 13/2025.

Further updates will be made accessible upon availability of information.

As always, should further information be requires, LSCT customer service team and operational personnel are at disposal, together with Contship Italia's commercial team.

Thank you for your continued support.
